What is

It is the sign of an international organisation specialising in COMBINED TRANSPORT OPERATIONS between the UNITED KINGDOM and SCANDINAVIA, both for GROUPAGE and FULL LOADS.

HOW DO WE OPERATE?

By UNITISATION, using Super-Trailers, 12M Tilt-Trailers, Self-Drive Vehicles and I.S.O. Containers.

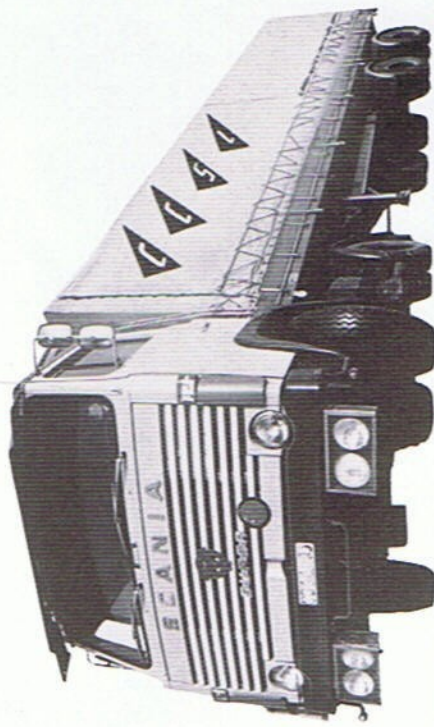

WHERE DO WE OPERATE?

Between a growing number of DEPOTS in the U.K. (now eight) and a growing number of DEPOTS in SCANDINAVIA (now nine). In addition, we operate to FINLAND, HOLLAND and GERMANY.

WHO ARE OUR CUSTOMERS?

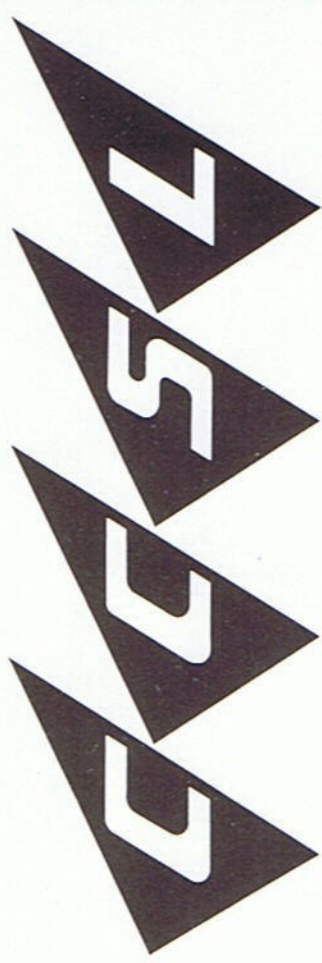

IMPORTERS and EXPORTERS, and more important, FREIGHT FORWARDERS who know us for our neutrality and special conditions.

CONSOLIDATED CONTAINER SERVICE LIMITED

COMPANIES

They are **HERE**, **THERE** and **EVERYWHERE**.

Look at the photographs - U.K. on the left - **SCANDINAVIA** on the right. They are for the convenience of shippers with small consignments. Situated in or near the main industrial centres in all countries, they help to reduce your costs and transit times.

U.K. Depots receive goods for any Scandinavian destination. They are designed and operated for speedy and expert consolidation of export merchandise.

Remember, we collect larger consignments, say 5,000 kilos and over, and specialist loads, direct from the manufacturing premises, thereby saving time and handling costs.

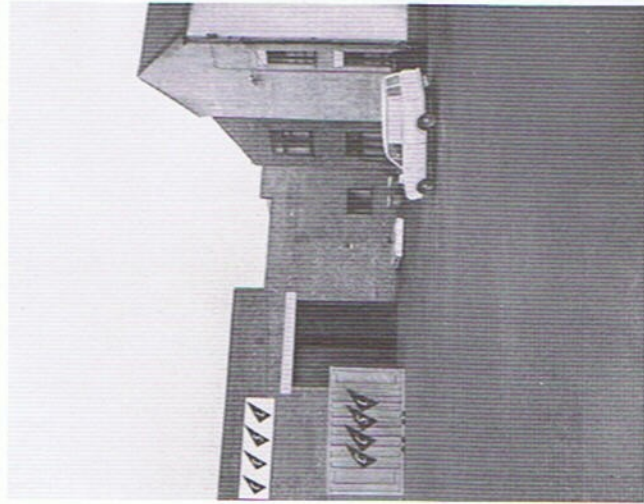

All U.K. Depots offer a minimum weekly service on all routes, with many more on the popular ones.

For **EXPORTERS** to the U.K., we operate services to Inland Clearance Depots at **LONDON** and **MANCHESTER**, where a speedy customs services is assured.

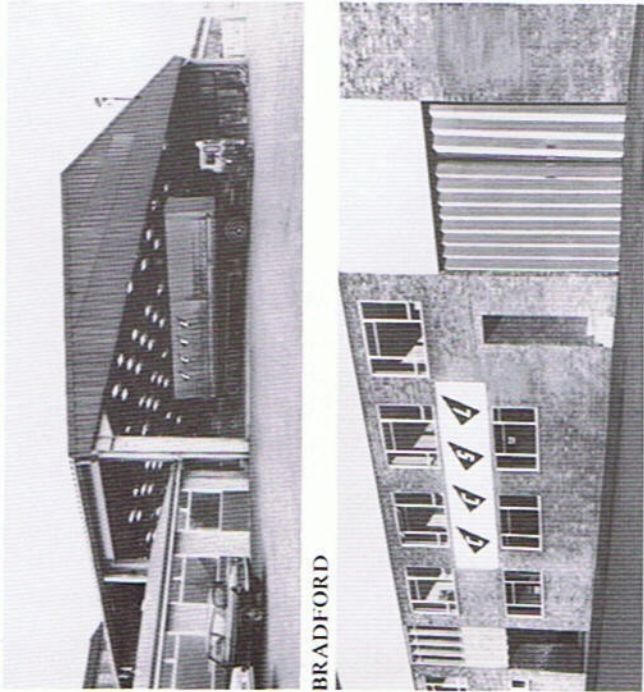

CONSULT
YOUR NEAREST 
OFFICE

either direct or through your Freight Forwarder for details of our **SPECIALIST INTERNATIONAL TRANSPORT SERVICE** and our published **TARIFFS**.

Although our transit between depots can be as little as three days, we are proud to say our **DOCUMENTATION SYSTEM** - is faster!
