

## The **LEMAN** "Intermodal Through Transport System" to USA from Scandinavia

Regular services are offered either door to door or terminal to terminal to all major cities. With our own centrally located terminal in Copenhagen we are able to offer a full range of services for:

- Full Container Loads from one supplier.
- Consolidation of full loads for you from several suppliers.
- Consolidation of individual LCL Consignments.

You gain the benefit of a through transport operator working on your behalf ensuring:

- Minimum handling.
- Control at each stage of the operation.
- Complete documentation.
- Our own Inter-Scandinavian collection system.
- Simplified cost structure – we will quote one through rate.
- Less damage and pilferage.

A glance through the attached sheets shows our full range of services.
